YOUR SUCCESS CRITERIA

(1) In Column 1, enter your success criteria. Thoughtfully determine what you are looking for in your next role. The items on this chart make up your fundamental bedrock career needs for your success. Building your career on your bedrock ensures you are setting your self up for career satisfaction.

(2) In Column 2, enter how you measure the corresponding criteria in column 1. How would describe what you're looking for and how will you know if you have achieved what you are going after?

(3) In Row 2, enter job tiles. Enter your current job as well as any other careers/jobs you are considering.

(4) In Rows 4-18, grade each job against your criteria. How closely does the role align with your fundamental bedrocks?
